

**IN THE DRAWINGS**

Corrected drawings are supplied herewith. Enclosed is a complete set of drawings marked "Replacement Sheet" and showing the following amendment(s) to Figures 1-8.

There were 2 issues that the Examiner raised with respect to the figures. The first issue was the dual use of the reference numeral 500. Applicant has corrected that issue by way of amendment to the specification as noted above. Thus, that issue is now moot.

The second issue was that the labels for the figures were identified in mixed case as "Fig." and the Examiner wanted them in all uppercase as "FIG." Applicant is providing amended figures to correct this perceived defect. Thus, this issue is now also a moot point.
